Eligibility and How to Apply

School fees and the educational needs of any children of clergy in the Diocese of Bath & Wells who are at school or in higher education.

Applications are considered by the Trustees twice a year, with those received by **31 January** being considered in February and those received by **30 June** being considered in July. Applications will typically relate to assistance with educational needs such as the purchase of items such as uniforms, books and IT equipment or to help with the cost of travel or extra-curricular activities.

Grants awarded will reflect the merits of individual applications as well as the number and quality of other applications received by the same deadline. Applicants are asked to note that the award of a grant does not guarantee that a similar award will be made in subsequent years. No single grant will exceed the sum of £1,000.
